Dear Vince Scotti,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2019-281-S - Application of Palmetto Utilities, Incorporated for Adjustment (Increase) of Rates and Charges, Terms and Conditions, for Sewer Service Provided to Customers in Its Richland and Kershaw County Service Areas

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

To whom it may concern,

In response to a notice I received from Palmetto Utilities advising of an intended rate increase in waste water treatment, I am requesting the opportunity to speak at the public hearing to be held on April 28th at 10:00 a.m. (Docket number 2019-281-S).

It is unconscionable that this utility would request a 30% increase in the rate after they requested (and the PSC granted) a 100% increase barely two years ago. I want to make my voice heard, even though I realize the Commissioners will not comment, nor will the attorneys in attendance and nothing will happen as a result of my words.
